## SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1 Product identifier

Trade name : Sika®-1 UK

### 1.2 Relevant identified uses of the substance or mixture and uses advised against

Product use : Concrete and mortar admixture

### 1.3 Details of the supplier of the safety data sheet

| Company name of supplier                            | : | Sika Limited<br>Watchmead Welwyn Garden City |
|---|---|--|
|   |   | Hertfordshire. AL7 1BQ                       |
| Telephone   | : | +44 (0)1707 394444                           |
| Telefax   | : | +44 (0)1707 329129                           |
| E-mail address of person<br>responsible for the SDS | : | EHS@uk.sika.com                              |

#### **1.4 Emergency telephone number**

National Chemical Emergency Centre (NCEC) 24 Hour Emergency Telephone Number +44 870 190 6777

## **SECTION 2: Hazards identification**

#### 2.1 Classification of the substance or mixture

#### Classification (REGULATION (EC) No 1272/2008)

Not a hazardous substance or mixture according to Regulation (EC) No. 1272/2008.

## 2.2 Label elements

## Labelling (REGULATION (EC) No 1272/2008)

Not a hazardous substance or mixture according to Regulation (EC) No. 1272/2008.

## 2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

| Date of last issue: 16.11.2022 | Version 1.16 | Print Date 03.04.2023 |
|--------------------------------|--------------|-----------------------|
| Revision Date: 03.04.2023      |              |                       |

## **SECTION 3: Composition/information on ingredients**

#### 3.2 Mixtures

| Components |   |                          |
|------------|---|--------------------------|
| Remarks    | : | No hazardous ingredients |

## **SECTION 4: First aid measures**

| 4.1 Description of first aid measured | ure  | S   |
|---------------------------------------|------|---|
| General advice                        | :    | No hazards which require special first aid measures.  |
| If inhaled                            | :    | Move to fresh air.  |
| In case of skin contact               | :    | Take off contaminated clothing and shoes immediately.<br>Wash off with soap and plenty of water.  |
| In case of eye contact                | :    | Remove contact lenses.<br>Keep eye wide open while rinsing.   |
| If swallowed                          | :    | Do not induce vomiting without medical advice.<br>Rinse mouth with water.<br>Do not give milk or alcoholic beverages.<br>Never give anything by mouth to an unconscious person. |
| 4.2 Most important symptoms ar        | nd e | effects, both acute and delayed   |
| Symptoms                              | :    | See Section 11 for more detailed information on health effects and symptoms.  |
| Risks                                 | :    | No known significant effects or hazards.  |
| 4.3 Indication of any immediate       | me   | dical attention and special treatment needed  |
| Treatment                             |      | Treat symptomatically   |

Treatment : Treat symptomatically.

## **SECTION 5: Firefighting measures**

### 5.1 Extinguishing media

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

## 5.2 Special hazards arising from the substance or mixture

Hazardous combustion prod- : No hazardous combustion products are known

| Revision Date: 03.04.2023   |           | Version 1.16   | Print Date 03.04.202   |
|---|-----------|--|------------------------|
| ucts  |           |  |                        |
| 5.3 Advice for firefighters   |           |  |                        |
| Special protective equipment for firefighters   | :         | In the event of fire, wear self-contained breathing  | apparatus.             |
| Further information   | :         | Standard procedure for chemical fires.   |                        |
| SECTION 6: Accidental releas  | se r      | neasures   |                        |
| 6.1 Personal precautions, protec  | ctiv      | e equipment and emergency procedures   |                        |
| Personal precautions  | :         | For personal protection see section 8.   |                        |
| 6.2 Environmental precautions   |           |  |                        |
| Environmental precautions   | :         | No special environmental precautions required.   |                        |
| 6.3 Methods and material for co   | ntai      | nment and cleaning up  |                        |
| Methods for cleaning up   | :         | Wipe up with absorbent material (e.g. cloth, fleed   | e).                    |
|   |           | Keep in suitable, closed containers for disposal.  |                        |

#### **10.6 Hazardous decomposition products**

No decomposition if stored and applied as directed.

## **SECTION 11: Toxicological information**

#### 11.1 Information on hazard classes as defined in Regulation (EC) No 1272/2008

#### Acute toxicity

Not classified based on available information.

#### Skin corrosion/irritation

Not classified based on available information.

### Serious eye damage/eye irritation

Not classified based on available information.

#### Respiratory or skin sensitisation

#### Skin sensitisation

Not classified based on available information.

#### **Respiratory sensitisation**

Not classified based on available information.

#### Germ cell mutagenicity

Not classified based on available information.

#### Carcinogenicity

Not classified based on available information.

#### **Reproductive toxicity**

Not classified based on available information.

#### STOT - single exposure

Not classified based on available information.

#### STOT - repeated exposure

Not classified based on available information.

#### Aspiration toxicity

Not classified based on available information.

### 11.2 Information on other hazards

#### **SECTION 12: Ecological information**

12.1 Toxicity

No data available

#### 12.2 Persistence and degradability

No data available Country GB 00000041147

|                               | Regulations (COMAH), and amendments.                        |
|                               |   |

## 15.2 Chemical safety assessment

No Chemical Safety Assessment has been carried out for this mixture by the supplier.

## **SECTION 16: Other information**

| Full text of other abbreviations |  |  |  |
|----------------------------------|--|--|--|
| ADR :                            | European Agreement concerning the International Carriage of<br>Dangerous Goods by Road   |  |  |
| CAS :                            | Chemical Abstracts Service   |  |  |
| DNEL :                           | Derived no-effect level  |  |  |
| EC50 :                           | Half maximal effective concentration   |  |  |
| GHS :                            | Globally Harmonized System   |  |  |
| IATA :                           | International Air Transport Association  |  |  |
| IMDG :                           | International Maritime Code for Dangerous Goods  |  |  |
| LD50 :                           | Median lethal dosis (the amount of a material, given all at  |  |  |
|                                  | once, which causes the death of 50% (one half) of a group of test animals)   |  |  |
| LC50 :                           | Median lethal concentration (concentrations of the chemical in   |  |  |
|                                  | air that kills 50% of the test animals during the observation period)  |  |  |
| MARPOL :                         | International Convention for the Prevention of Pollution from Ships, 1973 as modified by the Protocol of 1978  |  |  |
| OEL :                            | Occupational Exposure Limit  |  |  |
| PBT :                            | Persistent, bioaccumulative and toxic  |  |  |
| PNEC :                           | Predicted no effect concentration  |  |  |
| REACH :                          | Regulation (EC) No 1907/2006 of the European Parliament  |  |  |
|                                  | and of the Council of 18 December 2006 concerning the Reg-<br>istration, Evaluation, Authorisation and Restriction of Chemi-<br>cals (REACH), establishing a European Chemicals Agency |  |  |
| SVHC :                           | Substances of Very High Concern  |  |  |
| vPvB :                           | Very persistent and very bioaccumulative   |  |  |
