

# Technical Data Sheet

Rust-Oleum Chalkboard Paint (Brush):  
2.5L & 750ml Black, 250ml Blue, Pink & Red

---

**Create a chalkboard, perfect for walls, wood, metal and more. Works with conventional chalks and liquid chalk markers. Quick-drying formulation.**

Ideal for use on wood, metal, plastic, paper and most other surfaces - please test on a small area first to check adhesion and compatibility.

**Directions:** Stir well before use. Use only when temperature is between 10-32°C and humidity is below 85% to ensure proper drying.

**Preparation:** Previously painted surfaces should be lightly abraded to provide a key. Bare metal and wood should be suitably primed prior to painting.

**Application:** Apply paint with a soft brush using light even strokes taking care to avoid unsightly runs. 2 coats required, apply at a coverage rate of 10m<sup>2</sup>/L/coat.

**Drying:** Dries to touch in 30-60minutes. Drying times are based on warm (15°C), dry applications conditions with good ventilation. Lower temperatures and higher humidity will prolong drying times.

**Recoating:** Allow at least 2 hours between coats. When fully dry (24hrs) prepare the surface for use by rubbing the side of the chalk over the entire surface. Erase and surface is ready to use.

**Cleaning:** Clean brushes immediately after use with water.

**Shelf Life:** 2 years (unopened) from date of manufacture. (See base of can).

**Disclaimer:** The information contained herein is to the best of our knowledge true and accurate and is given in good faith but without warranty. It is our recommendation that a trial area is first coated to ensure the product is satisfactory to individual requirements. A copy of the appropriate health and safety should be consulted prior to use. EU Limit value for this product (Cat A/i ):140g/l. This Product contains a maximum of 20g/l VOC

250ml Blue, Pink & Red tested to BS EN 71-3: 2013 + A1: 2014 Safety of Toys. Migration of Certain Elements.
